VSBA Early Bird Workshops

Parliamentary Procedure for All

Once can never learn enough about parliamentary procedures. You've been taught the basics, but this two and one-half hour session will allow for more instruction, more questions, and more practical advice, including "Planning the Effective School Board Meeting". The session will be taught by the VSBA and NSBA Delegate Assembly Parliamentarian Jim Slaughter, Certified Professional Parliamentarian-Teacher and Professional Registered Parliamentarian. To sample Jim's expertise go to www.jimslaughter.com and read his articles!

Proper Investigations Are the Foundation to Good Decisions

How does a school system investigate alleged improper actions by students and employees? What procedures must be followed in discipline hearings? What governance and policy-making role does a school board have in investigations and hearings? Follow two school systems, Hanover and Fairfax Counties, through their process for investigating then conducting a hearing and, if necessary, appealing to the school board.

How to Attend

These workshops, for an additional fee of \$100, offer the opportunity to study one topic of interest in greater depth. Each will be non-repeating, 2.5-hour session. Register via the Annual Convention registration brochure or call VSBA a (800) 446-8722.
