### **2022 VSBA Regional Spring Network Forums Art Contest Guidelines**

Each school division is requested to submit three pieces of student art (one per category: Elementary, Middle, and High School). Below are the guidelines for submission of the art to the 2022 Student Art Contest, which is held in conjunction with the Spring Regional Forums:

1. **Acceptable entries must be art or photography** that was created by a student during participation in a school art program. Sorry, no sculptures or 3-D objects.
2. Each piece of work must include the student's name, age, school name, school division, and category (elementary, middle or secondary — as defined by the local school division).
3. All art pieces are to be submitted via email to Brittany Moore, Membership Services Coordinator, at [brittany@vsba.org](mailto:brittany@vsba.org), no later than two weeks prior to the regional meeting. Please make sure that the submission includes a complete permission form, and that the image of the artwork is a clear image, or scan of the artwork. Please remove any plastic covering or film that may impede viewing.
4. Judging is to be done by a 3 to 5-member jury and may be the regional officers, other school board members of the region, art teachers, or others as selected by the vice chair.
5. Judging will be completed prior to the live Regional Meeting. Ribbons will be provided and mailed out by VSBA.
6. The winners will be announced during the business meeting.

It is recommended that the art contest winners be honored at a special ceremony held in conjunction with a school board meeting. Parents and teachers can attend and be included. This is an excellent public relations opportunity for the board and the superintendent.

If you have questions regarding the art contest, please contact Brittany Moore, VSBA coordinator of membership services, at 434-295-8722 or [brittany@vsba.org](mailto:brittany@vsba.org).
