EQUITY & ACCESS FOR ALL: TAKING ACTION IN A PRODUCTIVE & COLLABORATIVE MANNER

Tampa, Florida

Thursday, March 30, 2023

10:40 AM - 12:10 PM

Are diversity, equity, and inclusion controversial topics in your district? Have your board meetings become platforms for individuals to misrepresent your district's change efforts? Do you need fresh ideas for how to create a plan that advocates for all students without unneeded contention? We have a model for you!

This session will explore how one Central Ohio school district has successfully developed an equity plan in a collaborative manner that drives action toward by:

- * building students' sense of belonging
- * diversifying their staff
- * developing an inclusive curriculum and resources
- * removing barriers for equitable representation and access; and
- * increasing community partnerships and engagement

We will look at a roadmap that ensures student and staff members are served in an inclusive manner. Attendees will leave with a blueprint and several strategies for engaging stakeholders at all levels in creating an equity plan that's just right for your students, staff and community.

Presenters:

Tia Holiman, Director of Curriculum (Central Ohio SD)
Jill Elliott, Assistant Superintendent
