VSBA Excellence in Workforce Readiness Award

The Virginia School Boards Association would like to invite you to apply for the annual *Excellence in Workforce Readiness* award. This award seeks to recognize Virginia school divisions that have achieved excellence in Workforce Readiness through an innovative program/project within your school community or in a regional collaboration with emphasis on:

- communication and collaboration with the business community;
- student engagement with the business community; or
- student entrepreneurial activities.

There is only one submission per school division/region.

The VSBA has included a Regional Category for program submissions to reflect the growing number of collaborations between school divisions in workforce readiness. The Regional Category is for any two or more school divisions currently working with Program Partners outside the school division in advancing excellence in Workforce Readiness through innovative programs/projects across school division boundaries. Individual school divisions submitting for a Regional Category may submit an individual application of a program within the school division. The individual application must be independent and not part of the Regional Category.

The entry must be approved by the school board/boards at a school board meeting.

All entries must be submitted by the deadline of May 15, 2024. No entries will be accepted after 11:59 p.m. on May 15, 2024.

Please submit applications to this link:
